

FALMOUTH SOCCER CLUB  
PLAYER COMMITMENT REQUIREMENTS  
2019-2020 SEASON

**Division 1 – 11U (2010) – 14U (2006)**

Fall – 6-game season with play-offs in early November. There is no formal commitment requirement for practices but 60-90 minute practices with the coach will be held weekly. It is expected that players will attend as many of these practices as possible and play in all the games. If a player is unable to commit to the fall season, a D2 player may possibly fill the spot just for the fall.

Winter – Indoor practice once a week from January-March and possibly play in an indoor league. The days and times for these practices are dependent on gym availability. Players are expected to attend these sessions.

Spring – 8-game schedule with play-offs in June. Teams practice twice a week for 60-90 minutes on Monday & Wednesday with team coach between 4:30-7:30. Players are encouraged to attend both practices but minimally should make one per week. Additional club-wide practices may be offered on Fridays during the season and players are encouraged to attend those as well, especially if a weekday practice has been missed. If selected to a D1 team, players should consider these guidelines and expectations and their ability to commit to practices and games for the full year-long season that ends on June 30, 2020.

If a player is selected for a Division 1 team and cannot adhere to these expectations they must notify their head coach by August 1st. Based on the tryout results, a player from the Division 2 pool may be offered the opportunity to move up to the Division 1 team. Conversely, the Division 1 player will be offered a spot on the Division 2 team.

- **My child elects to try-out for a Division 1 team. We recognize that trying out does not guarantee a D1 or D2 roster spot.**

**Division 2 – 9U (2011) – 14U (2006)**

Fall – Typically, there are no league games in the fall. Players are highly encouraged to participate in Falmouth Recreation Department soccer and are encouraged to participate in any skills clinics offered by the Club.

Winter – Typically practice indoors once a week from January-March. The days and times for these practices are dependent on gym availability. Players are expected to attend these sessions.

Spring – 8-game schedule with play-offs in June for 9v9 and 11v11 teams. 7v7 teams may participate in “Friendly” tournaments in June. Teams practice once a week for 60-90 minutes typically on Tuesday & Thursday with team coach between 4:30-7:30. Players are encouraged to attend weekly practices. Additional club-wide practices may be offered on Fridays during the season and players are encouraged to attend those as well, especially if the weekday practice has been missed. If selected to a D2 team, players should consider these guidelines and expectations and their ability to commit to practices and games for that ends in mid-June.

- **My child would prefer not to play D1 and elects to try-out for a Division 2 team. We recognize that trying out for a D2 team does not guarantee a roster spot.**
